

Maxx Performance manufactures these standard products with activities to suit your needs. Customized solutions are also available. For custom orders, contact your representative or call 845-987-9432.

Acidulants

- Ascorbic acid
- Citric acid
- Fumaric acid
- Lactic acid
- Malic acid
- Sorbic acid
- Tartaric acid

Amino Acids

- Branched Chain and others (custom)
- Customized blends

Bakery Ingredients

- Ascorbic acid
- Citric acid
- Dough conditioners
- Fumaric acid
- Glucono Delta Lactone (GDL)
- Lactates
- Mono calcium phosphate
- Potassium sorbate
- Sodium acid pyrophosphate
- Sodium aluminum phosphate
- Sodium chloride
- Sodium bicarbonate
- Sodium diacetate
- Sorbic acid
- Sugar
- Vinegar powder

Botanicals

- Caffeine
- Guarana
- Green tea extract
- Others

Confectionary

- Calcium lactate
- Sodium bicarbonate
- Sorbic acid and sorbates
- Citric acid
- Malic acid
- Tartaric acid
- Customized blends

Flavors and Aroma

- Cinnamon
- Sugar
- Sodium Chloride

Sweeteners

- Sugar
- Aspartame

Meat Ingredients

- Ascorbic acid
- Calcium lactate
- Citric acid
- Glucono Delta Lactone (GDL)
- Lactic acid
- Sodium diacetate
- Sodium chloride
- Vinegar powder

Preservatives

- Calcium propionate
- Fumaric acid
- Sorbic acid

Other Nutrients

- Probiotics (custom)
- Enzymes (custom)
- Resveratrol (custom)
- Pterostilbene (custom)
- Customized blends

Vitamins

- Vitamin B4 (choline)
- Other B vitamins (custom)
- Vitamin C (ascorbic acid)
- Others

Vitamins

Calcium

- Calcium citrate
- Calcium fumarate
- Calcium lactate
- Calcium phosphate
- Calcium sulfate

Copper

- Copper gluconate
- Copper oxide
- Copper sulfate

Iron

- Ferrous gluconate
- Ferrous fumarate
- Ferrous sulfate

Magnesium

- Magnesium oxide
- Magnesium citrate

Potassium

- Potassium chloride
- Dipotassium phosphate

Sodium

- Sodium bicarbonate
- Sodium chloride

Zinc

- Zinc citrate
- Zinc gluconate
- Zinc oxide
